Dear Mary Beth:

This letter was in response to your April 13, 1998 letter to this campaign concerning the October Quarterly Report (7/23/98-9/30/98).

The first item mentioned was a contribution to a national party committee that appeared to exceed the established limits. The contribution mentioned was a \$50,000 contribution dated September 8, 1998 to the National Republican Congressional Committee. The purpose section of the form stated "Transfer of Campaign Funds." The purpose should have read "Transfer of ~~Excess~~ Campaign Funds", which they were.

The second item mentioned a contribution which appeared to exceed the individual limit. A 48 hour notice received for the American Medical PAC and a 48 hour notice that was not received. All three problems relate to one contribution. Page one for the Schedule A, line 11 (c), shows a \$2,000 contribution on July 26, 1998. The person generating the report had blacked out the individual who signed the checks for the PACS on all contributions, but the one in question. On that contribution, he inadvertently blacked out the name of the contributor instead of the name of the person who had signed the check. Therefore the contribution shows it was received from a Mr. Lee Stillwell instead of the American Medical PAC, which was the actual contributor. The \$2,000 contribution was within the limits for the PAC, the 48 hour notice was properly sent for the American Medical PAC and no 48 hour was needed for Mr. Stillwell, as he was not the contributor.

If you have any questions, please either write or call me at (970)248-4841 work or (970)241-9138 home.

Sincerely,

C. Dennis King
